

METERED PEDESTALS (MPS)

Provides metered power distribution
for street lighting, park lighting,
private development lighting, signage,
irrigation, pump, and cellular applications.

FEATURES

- Weather and vandal resistant technology
- Swingside top allows for full exposure of meter compartment and locks open for safety
- All access points include provisions for a padlock
- Options for up to 32 circuits
- NEMA TYPE 3R rated, UL 508A Listed and EUSERC 308 complaint

CALTRANS COMPLIANT

Our **CSP pedestals** are Caltrans compliant. Perfectly slim for highly specified jobs and space saving applications. Available metered and non-metered.

MULTIPLE OPTIONS AVAILABLE

We offer powder coating in multiple color options for all meters.

Upgrade your MPS to an MPE for maximum storage with an attachable SB-1852SS enclosure.

2320 Meyers Ave. Escondido, CA • (760)480-6702
